Adelie penguins

surfing across ice
diving in freezing water
flightless fish-eaters

Elephant seals

big and lumbering
noses like an elephant
excellent swimmers

Arctic tern

Black cap and sleek tail,
Razor-sharp wings slice the air,
Flying pole to pole.

Wandering albatross

Rarely seen on land,
Vast, elegant wings are home,
Soaring through thin air.

Pristine camouflage,
Alert ears and beady eyes,
Attentive hunter.

Patient predator
Circles the seal's breathing hole:
Mighty jaws come down.

emperor penguin
imperious attitude
beak high in the air

White beluga whale
His home is in the Arctic
Affable fellow
