

Verses from the Qur'an

Hello, my name is Jameela and I am a Muslim. The Muslims' holy book is called the Qur'an. We believe the Qur'an is the word of Allah and so it is very important to us. Here are some verses from the Qur'an for you to read and think about.

Do not enter houses other than your own, until you seek permission and greet the inhabitants.

It is He who gave you life, will cause you to die, and will again give you life. Indeed, mankind is ungrateful.

It is most hateful to Allah that you say that which you do not do.

Allah is not unaware of what you do.

If a wicked person comes to you with any news, verify it lest you harm people unknowingly, and afterwards become full of repentance for what you have done.

Do not mix truth with falsehood, nor knowingly conceal the truth.

Overlook any human faults with gracious forgiveness.

He merges night into day, and He merges day into night, and He has full knowledge of the secrets of all hearts.

Indeed! Mankind is violent in the love of wealth.
