

OPERATION RUDOLPH & THE CHRISTMAS STOCKING PROJECT

20th November 2021

Dear Parents/Carers,

At this time of festive cheer and giving, please spare a thought for those families in the community who may find this time of year particularly difficult and may not be able to celebrate with all the trimmings.

Operation Rudolf is a Storehouse initiative that The New Life Centre have brought to Spilsby this year.

If you could you help with any of the below items that we could put into food parcels to make someone's Christmas a little bit more cheerful, then please bring them into school and we will deliver them to the New Life Centre.

- Sweets
- Shortbread
- Chocolates
- Selection Boxes
- Chocolate Log
- Coffee/ Hot Chocolate

The wonderful Christmas Stocking Project is being run by Judith Coe at the Christian fellowship, which puts together stockings for vulnerable families and families in need. If you have any of the following items which you could donate to help fill these stockings to give to families, again, you can bring them into school and we will deliver them to the Christian Fellowship.

- Toiletries
- Games
- Books
- Toys
- Christmas sweet treats

Please remember that if you are worried about Christmas, you can access food parcels by contacting Kerri Clarke at school, Judith Coe at the Spilsby Christian Fellowship or David Bruce at the New Life Centre. Thank you so much for your support and I hope we can all pull together to help those families in need to have a wonderful Christmas.

Your faithfully
Nishi Bremner
Head of Academy
