

Memories

Here's to the sums that we got,
Here's to the things we got wrong but forgot,
'Cause school brings back good memories of
Everything we've been through

Thanks, from us here today,
Thanks, from the ones who left on the way,
'Cause school brings back good memories.
And the memories bring back memories, bring back fun.

There're times that we remember,
When we did not know we'd change,
We believed we'd be here forever,
And everything would stay the same.

Now's the time for us to remember,
All the teachers who said our names,
'Cause we can't change getting older,
We know we'll leave some day, aye

Everybody learns through time,
Learn skills for life, aye, aye,
We're all gonna be all right,
Go and make your way, they'd say, aye

Here's to the skills that we've got,
Here's to the things we learnt, the whole lot,
'Cause school brings back good memories of
Everything we've been through

Thanks, from us here today,
Thanks, from the ones who left on the way,
'Cause school brings back good memories.
And the memories bring back memories, bring back fun.

bring back fun.

There're times to remember,
We never knew numbers,
We learnt to sing the alphabet,
Brains filling to the top.

Now our heads know to remember
the Spilsby 7 rules,
We'll carry these skills forever
These will help us to the top, yeah

Everybody learns through time,
Learn skills for life, aye, aye,
We're all gonna be all right,
Go and make your way, they'd say, aye

Here's to the skills that we've got,
Here's to the things we learnt, the whole lot,
