

Tuesday 22nd March 2022 – R.E

Good Afternoon Year 5! It is Miss Bosworth here. I hope that you are all well and I just want to say a huge thank you and well done for still getting on with your learning during these tricky times. Today in R.E we are looking at freedom for the first part.

Thinking about Freedom

During Passover, Jews remember slavery and celebrate freedom. Now it is your chance to think about freedom. Answer the following questions on a piece of paper so that you can bring them to class when we are all back and we can all discuss answers. For some questions there is no right or wrong answer. You may want to discuss these questions with family or friends.

- What is freedom?
- What does freedom look like?
- Are you free?
- Is freedom always a good thing?
- Should everyone be free to do what they want to?
- Is freedom a human right?

Your task – Make a list of freedoms that all humans should have and the responsibilities that go with them. We will share and compare your ideas when we get back together in class.

Part two – Yearly Traditions

The Passover has been celebrated every year for over 3000 years.

Answer the questions: Why do we celebrate and remember special times every year? And In what ways do these events make you feel like you belong?

Your task – Create a blank calendar (or just list) and write down some events that are celebrated yearly. You can use google to help you think of events that you may not know about for example there is a world space week every year in October and this may be something you are interested in celebrating.

Have fun creating your calendar of special yearly celebrations and events and I look forward to hearing all your amazing thoughts on this lesson when we are back in the classroom. See you soon year 5! From Miss Bosworth
