A Wonderful Week of Celebration at Spilsby Primary Academy

We are delighted to share some fantastic news with our school community. Spilsby Primary Academy has achieved three wonderful awards, each recognising a different part of what makes our school such a special place. We are incredibly proud to have achieved:

- The SuperKind Social Impact Schools Award
- The RHS Level 5 School Gardening Award
- The School Games Gold Mark Award for the second year in a row

Together, these awards celebrate our pupils' kindness, teamwork, care for the environment, commitment to being active and their pride in making a positive difference to our school and wider community.

The **SuperKind Award** recognises the work our pupils have done to help others, raise awareness, support good causes and show kindness through social action. This reflects the caring and thoughtful way our children look beyond themselves and understand that even small acts of kindness can make a big difference.

The **RHS Level 5 School Gardening Award** is the highest level within the RHS School Gardening Awards. It celebrates our commitment to gardening, outdoor learning, caring for nature and working with the wider community. Our pupils have shown real curiosity, responsibility and pride in helping to improve our school grounds and learn more about the natural world.

The **School Games Gold Mark Award**, achieved for the second year running, recognises our continued commitment to PE, school sport and physical activity. It celebrates the opportunities our pupils have to take part, represent the school, try new activities, work as a team and develop confidence through sport.

Across all three awards, our children have continued to live out our school values of **Honesty, Love, Curiosity, Hope and Unity**. They have shown kindness, resilience, teamwork, respect and pride in everything they do.

To mark these fantastic achievements, we will be holding a special celebration assembly. This will be a lovely opportunity for us to come together as a school, recognise the efforts of our pupils and celebrate the teamwork, care and pride that have helped us achieve these awards. We are also very grateful to our wonderful PTFA, who will be providing a special treat for the children as part of the celebration.

A huge thank you to everyone who has played a part in these achievements. Our pupils, staff, families, PTFA and friends of the school have all contributed to this success.

These awards are not just certificates, they are a celebration of our children's character, hard work and commitment to making Spilsby Primary Academy a happy, caring and ambitious place to learn and grow.

Thank you for your continued support.

Kind regards

Mr Nicholson
