Welcome Back!

A very warm welcome back to all of our families as we begin a brand-new school year at Spilsby Primary Academy. We hope everyone has had a happy, restful and enjoyable summer break.

We would also like to extend a particularly warm welcome to all of our new starters and families joining the Spilsby Primary Academy community for the first time. We are delighted to have you with us and hope you quickly feel at home.

There is lots to look forward to over the coming months and we are excited about the opportunities, learning, events and experiences that the year ahead will bring. We look forward to working closely with all of our families and making 2026/27 another positive and successful year for our pupils.

Keep Up to Date with Spilsby Primary Academy

There are lots of ways to keep up to date with everything happening at Spilsby Primary Academy.

Our school website contains key information for families, including curriculum information, term dates, school news, policies and other useful information. You can visit it here:

www.spilsbyprimary.org.uk

You can also follow our official social media pages, where we share reminders, celebrations and snapshots of school life:

Facebook: 'Spilsby Primary Academy Updates'

Instagram: '@SpilsbyAcad'

We would encourage all families to follow our pages and regularly check the school website alongside ParentHub so that you do not miss important information or updates.

Monday 7 to Sunday 13 December

Thursday 10 December

Throughout December

Reception Nativity

Year 1 and 2 performances

Computer Science Education Week

Christmas Jumper Day

Reverse Advent / Kindness Calendar

National Read a Book Day

We will be celebrating our love of reading across school with opportunities for pupils to enjoy books together. Activities may include shared reading, reading challenges and opportunities to discover new authors and stories.

International Literacy Day

International Literacy Day provides another opportunity to celebrate the importance of reading and writing. Pupils will be encouraged to think about how literacy helps us to learn, communicate and understand the world around us.

Headteacher: Mr M Nicholson

Roald Dahl Story Day

We will celebrate the wonderful world of Roald Dahl through stories, creative writing and imaginative activities. Pupils may explore some of his famous characters and have fun inventing their own words and ideas.

Recycle Week

During Recycle Week, pupils will think about how we can look after our environment and reduce waste. Classes may explore recycling, reuse materials creatively and consider small changes we can all make to help our planet.

International Day of Democracy

This day gives pupils an opportunity to learn more about democracy and having a voice. It links particularly well with our School Council and discussions about how pupils can help influence decisions within our school community.

International Day of Sign Languages

Pupils will have the opportunity to learn about different ways of communicating, including some basic British Sign Language. This will help us celebrate inclusion and understand that people communicate in many ways.

Reception Parent Phonics Workshop – Save the date

Tuesday 26th September

We would like to invite our reception parents and carers to a phonics workshop in school. This will be an opportunity to find out more about how we teach phonics, how children begin to learn to read, and some simple ways you can support your child at home.

Further details, including the time of the workshop, will be shared shortly. We hope as many Reception families as possible will be able to join us.

📞 Keeping Contact Details Up to Date

Please make sure that the school office has your most up-to-date contact details, including telephone numbers, email addresses and emergency contact information. It is really important that we are able to contact you quickly if needed.

If there are any changes during the year, please let the school office know as soon as possible.

We would also remind parents and carers that if someone different will be collecting your child at the end of the school day, please inform the school office in advance. This helps us to make sure that pupils are dismissed safely and to the correct adult.

Thank you, as always, for your continued support. A strong partnership between school and home makes such a difference, and we are really looking forward to working together throughout the year ahead.

If you have any questions or need any support, please do not hesitate to get in touch with the school office.

With best wishes,

Mr Nicholson
