Careers Fortnight

During our exciting Careers Fortnight, members of our local community and professionals from a range of different industries will be visiting school to speak with our Year 5 and Year 6 pupils about their jobs, career journeys, and aspirations for the future.

Children will have the opportunity to learn about a wide variety of careers and ask questions about the skills, qualifications, and experiences needed for different roles. We hope these sessions will inspire pupils, broaden their horizons, and ignite ambitions for the future by helping them understand the many exciting opportunities available to them.

We are extremely grateful to all the visitors giving up their time to support this valuable experience for our children.

SPORTS DAY: 17th June - World Cup Themed!

We are excited to welcome families to our annual Sports Day. Children will take part in a variety of team and individual events throughout the day. Please ensure pupils arrive in their PE kits with a water bottle and sun protection if the weather is warm.

- KS1 children (Reception, Year 1 and Year 2) will take part from 10:00am–11:30am
- KS2 children (Years 3–6) will take part from 1:30pm–3:00pm.

Children will come home today with a slip outlining which house colour they are in and which colour T-shirt they will need to wear on the day.

Parents are warmly invited to stay and have a picnic with their child.

More details to follow half term

Speak Out NSPCC Workshop

Pupils will also take part in the NSPCC Speak Out workshops, helping children learn about speaking up, staying safe, and understanding who they can talk to if they are worried about anything.

School Summer Fair: Friday 3rd July

Our Summer Fair promises to be a fantastic afternoon filled with games, stalls, refreshments, prizes, and entertainment for the whole family. We would love to see as many families as possible supporting this special community event. Further details, including timings and raffle information, will be shared soon.

Looking Ahead

As we move towards the end of the academic year, there will also be transition activities, celebration events, and performances taking place across the school. Additional information will be sent home nearer the time.

Thank you for your continued support.

Kind regards

Mr Nicholson
