Tuesday 21st April 2026

We would like to extend a very warm welcome back to all of our families after the Easter break. We hope you had a restful and enjoyable holiday and were able to spend some special time together. We are very much looking forward to an exciting and busy summer term ahead, filled with learning, fun activities and opportunities for everyone to get involved in school life.

We are looking forward to a busy and exciting few weeks ahead in school, with lots of opportunities for children and families to get involved.

Thursday 23rd April

Friday 24th April:

Tuesday 28th April

Wednesday 29th April

Tuesday 5th May

Wednesday 6th May

Thursday 7th May

Friday 8th May

Monday 11th May – Thurs 14th

Thursday 14th May

Year 3 Healthy Minds workshop

Stay Safe Partnership pupil workshops:

Year 2 Dealing with Emotions

Year 3 Positive Boundaries

Year 4 Respectful Communication

Year 5 Conflict Resolution

Year 6 Transition

TT Rockstars Day – dress like a rockstar!

Parents coffee and a chat -see parenthub

Book Fair in school

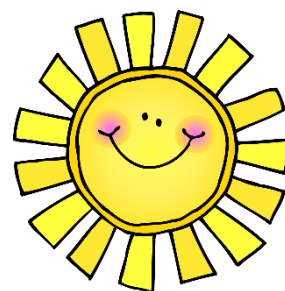

Wrates Photography - Class photos

Multi Sports comp – Y1/2

David Attenborough Day - focus on science and ecology

KS2 SATs

Whole School Joe Wicks Workout

On Tuesday 28th April, we will be celebrating TT Rockstars Day. Children are invited to come to school dressed as rockstars for a fun-filled day focused on maths and times tables. This is a great way to build confidence and enthusiasm in maths.

The following day, Wednesday 29th April, we warmly invite parents and carers to join us for a relaxed coffee and chat afternoon. This is a lovely opportunity to enjoy an informal catch-up over a cup of coffee. Please see parenthub for more details.

Our Book Fair will be arriving on Tuesday 5th May. This is a fantastic chance for children to explore new books and develop a love of reading. There will be a wide range of titles available and every purchase helps support the school.

On Wednesday 6th May, Wrates Photography will be in school to take class photographs. Please ensure children come to school in full uniform and are ready to smile.

Sporting opportunities continue on Thursday 7th May, when some of our Key Stage 1 children will take part in a Multi Sports Competition. We wish all participants the best of luck and know they will represent the school brilliantly.

On Friday 8th May, we will also be celebrating David Attenborough Day across the school. This special day will focus on science and ecology, helping children to learn more about the natural world and the importance of protecting our planet. Throughout the day, pupils will take part in a range of engaging activities linked to wildlife, habitats, and environmental responsibility, inspired by the incredible work of Sir David Attenborough. We are excited to see the children develop their curiosity and appreciation for the world around them.

From Monday 11th May to Thursday 14th May, our Year 6 pupils will be completing their Key Stage 2 SATs. We are incredibly proud of how hard they have been working and encourage them to do their very best during this important week.

Finally, on Thursday 14th May, the whole school will take part in a special Joe Wicks Workout to support Mental Health Awareness. This energetic session with Joe Wicks will help promote wellbeing, positivity, and the importance of staying active.

A reminder that we are continuing to work towards the SuperKind Social Impact Schools Award this year. This award recognises and celebrates the positive actions children take to help others and make a difference in their communities and beyond. It is all about encouraging kindness, empathy and helping pupils understand that even small actions can have a big impact.

Children can earn recognition by taking part in social actions both in school and at home. This might include fundraising, helping others, caring for the environment, or supporting a cause they feel passionate about. Activities completed outside of school are just as important and count towards the award too.

For example, pupils could take part in simple but meaningful actions such as picking up litter in their local area, donating toys or clothes to charity, helping a neighbour, or even organising a small fundraiser like a bake sale. All of these contributions help children develop a sense of responsibility and show that they can be true "change-makers" in the world around them.

We encourage all families to support their children in taking part and sharing any actions they complete at home so we can celebrate their efforts together in school.

As always, thank you for your continued support. It makes a real difference to the children's experience in school and helps us create a positive and welcoming environment for everyone.

We are very much looking forward to the weeks ahead and all the exciting opportunities this term will bring. If you have any questions or would like to discuss anything, please do not hesitate to get in touch with the school office.

Yours sincerely

Mr Nicholson
