Welcome to Mrs Hieatt

We are delighted to welcome Mrs Hieatt to our teaching team. Mrs Hieatt will be teaching in Year 4/5 and is already a familiar face, having worked with our school previously. We are really excited to have her join us and are very happy that she is now a part of our teaching team and our wider school community. We know she will be a fantastic addition and we look forward to the positive impact she will continue to have on our pupils.

Congratulations to Miss Tuplin

I am also very pleased to share the wonderful news that Miss Tuplin has been successfully promoted to the role of Assistant Headteacher at our school. Alongside her new leadership responsibilities, Miss Tuplin will remain as the Year 6 class teacher.

Miss Tuplin is a highly experienced and dedicated member of staff who is passionate about the success of our school community. She is extremely well qualified, having gained numerous National Professional Qualifications, and brings a wealth of knowledge and commitment to her new role. I know you will join me in congratulating Miss Tuplin on this well deserved promotion, and we look forward to her continued leadership and positive influence here at Spilsby.

A guide for parents and carers on managing children's digital lives

The Children's Commissioner for England has produced a guide for parents and carers on managing children's digital lives, designed to demystify some of the issues such as the challenge of managing children's everyday online habits, what you should and shouldn't be doing, and the often complicated parental controls on individual social media platforms, to help make talking to your child about them easier.

An introductory blog on the guide from the Children's Commissioner can be viewed here:
